EASY CARE

Every garment is engineered to be washable in domestic washing machines

Every garment is engineered to withstand creasing and shine. We've spent years testing and trialling this garment so that your garment will last longer and look better if you follow the simple care guide.

All pieces are washable in a domestic machine. If wash instructions are followed correctly a minimum iron will restore the clothing to great shape.

Wash separately.
Machine wash as wool.
Do not use fabric softener.

Remove the garment immediately after the wash and pull gently into shape. Place on a hanger and allow to dry naturally.

If required iron on a medium setting using a damp cloth between the iron & the garment to prevent shine.

Do not tumble dry.
